

The background features a repeating pattern of white coffee cups with orange circular logos containing the code symbols '(()))'.

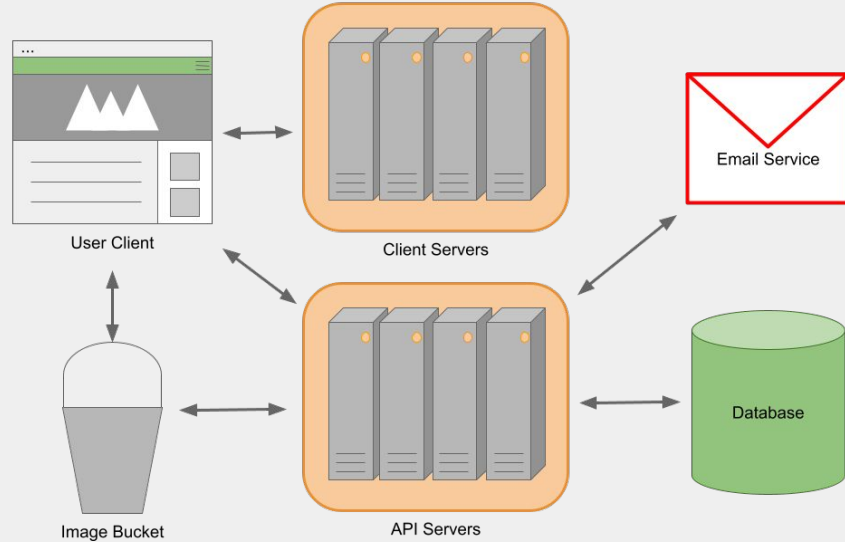

Pumpkin Spice Latte

Monolith Programming

Overview

Content we are going to handle:

- CORS
- SPDY
- H2
- Gzip compression
- favicon.ico
- HTTP to HTTPS redirect

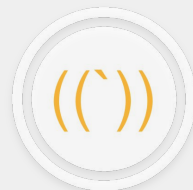

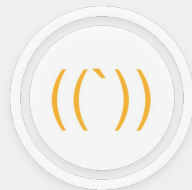

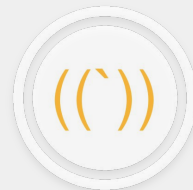

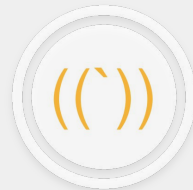

Tutorial

Python

Tutorial

Ruby

Ruby Gems

- `ruby '1.9.3'`
 - My computer wouldn't let me downgrade to this version.
- `gem 'rails', '~> 3.1.0'`
- `gem rack-cors`
- `gem spdy`
- `gem eventmachine`
- To enable gzip compress, add the following to your **config/application.rb** file:
 - `config.middleware.use Rack::Deflater`

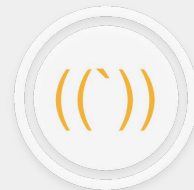

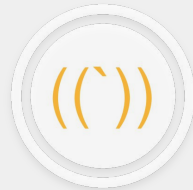

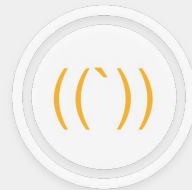

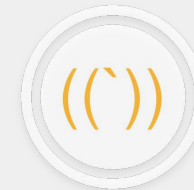

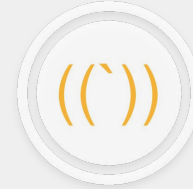

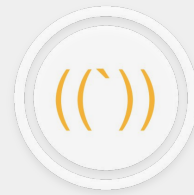

Tutorial

Node.js
